PHA Rent Determination Policies

A. Public Housing

(1) Income Based Rent Policies

- a. TVRHA employs discretionary policies for determining income-based rent
- b. Minimum Rent
 - 1. TVRHA's minimum rent is \$50.00
 - 2. TVRHA has adopted the following minimum rent hardship exemption policy
 - i. Financial hardship includes the following situations:
 - 1. The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

2. The family would be evicted because it is unable to pay the minimum rent.

PHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent or tenant-paid utilities.

3. Family income has decreased because of changed family circumstances, including the loss of employment.

4. A death has occurred in the family.

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

The family has experienced other circumstances determined by the PHA.

PHA Policy

The PHA has not established any additional hardship criteria.

Rents set at less than 30% of adjusted income

1. TVRHA does not plan to charge rents at a fixed amount or percentage less than 30%

Ceiling rents

- 1. TVRHA has ceiling rents for all developments.
- 2. TVRHA arrives at our ceiling rents by doing a market comparability study and by the rental value of the unit.

Rent re-determinations

- 1. Between income reexaminations, tenants must report changes in income or family composition to the PHA such that the changes result in an adjustment to rent in the following circumstances.
 - i. At family option
 - ii. Anytime a family experiences an income increase above \$200.00 per month or a change in the source of income.
 - iii. Anytime a family member enters the home.

TVRHA does not plan to implement individual savings accounts for residents.

(2) Flat Rents

a. In setting the market-based flat rent, TVRHA used the section 8 rent reasonableness study of comparable housing. We also used a survey of similar unassisted units in the neighborhood.

B. Section 8 Tenant-Based Assistance

(1) Payment Standards

- a. TVRHA's payment standards are set at or above 90% but below 110% of FMR
- b. The payment standards that are below FMR were selected for the following reasons.

- ii. TVRHA has chosen to serve additional families by lowering the payment standard
- iii. The payment standards chosen reflect the market or submarket
- c. TVRHA chose payment standards above FMR for the following reasons.
 - i. FMRs are not adequate to ensure success among assisted families in the PHA's segment of the FMR area.
 - ii. The payment standards chosen reflect the market or submarket
 - iii. To increase housing options for families
- d. TVRHA evaluates its payment standards on an annual basis and in some cases more often.
- e. TVRHA will consider the following factors in its assessment of the adequacy of its payment standard
 - i. The success rates of assisted families
 - ii. The rent burdens of assisted families
 - iii. Whether the payment standard reflects the market

(2) Minimum Rent

- a. TVRHA's minimum rent is set at \$50.00
- b. TVRHA has adopted the following discretionary minimum rent hardship exemption policy
 - 1. In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:
 - i. The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

ii. The family would be evicted because it is unable to pay the minimum

rent.

PHA Policy

- iii. Family income has decreased because of changed family circumstances, including the loss of employment.
- iv. A death has occurred in the family.

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

GRIEVANCE PROCEDURES

I. PURPOSE AND SCOPE

To assure that each Housing Authority Resident is afforded an opportunity for a hearing if the Resident disputes, within the established time frame, any Housing Authority action or failure to act involving the Resident's lease with the Housing Authority or the Housing Authority's regulations which adversely affect the individual Resident's rights, duties, welfare or status. This grievance procedure shall be applicable (except as provided in Section II. H. below) to all individual grievances, as defined elsewhere in these procedures, between the Resident and the Housing Authority. It is not applicable to disputes between residents not involving the Housing Authority or to class grievances, nor is it intended as a forum for initiating or negotiating policy changes between a group or groups of residents and the Housing Authority's Board of Commissioners.

II. DEFINITIONS

- A. "Grievance" shall mean any dispute which a Resident may have with respect to Housing Authority action or failure to act in accordance with the Resident's lease or Housing Authority regulations which adversely affect the individual Resident's rights, duties, welfare, or status.
- B. "Complainant" shall mean any Resident whose grievance is presented to the Housing Authority or at the Management Office in accordance with Sections III and IV below.
- C. "Elements of Due Process" shall mean an eviction action or a termination of tenancy in a State or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the Resident of the grounds for terminating the tenancy and for eviction;
 - 2. Right of the Resident to be represented by counsel;
 - 3. Opportunity for the Resident to refute the evidence presented by the Housing Authority including the right to confront and cross-examine witnesses and to present any affirmative legal, or equitable defense which the Resident may have; and
 - 4. A decision on the merits.
- D. "Hearing Officer" shall mean a person selected in accordance with Section IV. B. to hear grievances and render a decision with respect thereto.
- E. "Hearing Panel" shall mean a panel selected in accordance with IV. B. to hear grievances and render decision with respect thereto.
- F. "Resident" shall mean the adult person(s) (other than a live-in aide):
 - 1. Who resides in the unit, and who executed the lease with the Housing Authority as Resident of the dwelling unit, or if no such person now resides in the unit.
 - 2. Who resides in the unit, and who is the remaining head of household of the Resident family residing in the dwelling unit.
- G. "Resident Organization" includes a Resident Management Corporation.
- H. "Due Process Determination" shall mean a determination by HUD that law of the jurisdiction requires that the Resident must be given the opportunity

for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit. If HUD has issued a due process determination, the Housing Authority may exclude from the grievance procedure any grievance concerning a termination of tenancy or eviction that involves:

- 1. Any activity, not just criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or Housing Authority employees, or
- 2. Any violent or drug-related criminal activity on or off the housing premises.

NOTE: If HUD has issued a due process determination, this Housing Authority may evict the occupants of the dwelling unit through the judicial eviction procedures which are the subject of the determination. In this case, this Housing Authority is not required to provide the opportunity for a hearing under the administrative grievance procedure.

III. INFORMAL SETTLEMENT OF GRIEVANCE

- A. Grievance shall be personally presented, either orally or in writing, to the Housing Authority office, or to the office, if any, of the project in which the Complainant resides, so that the grievance may be discussed informally and possibly settled without a hearing.
- B. A summary of the informal discussion shall be prepared within five (5) working days by the Housing Authority specifying the names of the participants, dates of meetings, the nature of the proposed disposition of the complaint, and the specific reasons therefore, and shall specify the procedures by which a hearing may be obtained. One copy of the summary shall be given to the Resident and one copy retained in the Resident's file.
- C. If the Complainant does not request an informal discussion, the Housing Authority's disposition of the grievance shall become final, unless the Hearing Officer or Hearing Panel shall find good cause for Complainant's failure, upon the finding of which the hearing officer or hearing panel may waive Complainant's failure. The failure to request an informal discussion shall not constitute a waiver by the Complainant of his right thereafter to contest the Housing Authority's action in disposing of the complaint in an appropriate judicial proceeding.

IV. PROCEDURES TO OBTAIN A HEARING

A. <u>Request for a hearing.</u> The Complainant shall submit a written request for a hearing to the Housing Authority, or the project office, if any, of the project

in which Complainant resides, within ten (10) working days after receipt of the summary of the informal discussion. For a grievance under the expedited grievance procedure (see paragraph G. below), the Complainant shall submit such request at such time as is specified by the Housing Authority for a grievance under the expedited grievance procedure. The written request shall specify:

- 1. The reason for the grievance; and
- 2. The action or relief sought.
- B. <u>Selection of Hearing Officer or Hearing Panel.</u> Grievances shall be presented before a Hearing Officer or hearing panel. A Hearing Officer or hearing panel shall be selected as follows:
 - 1. A grievance hearing shall be conducted by an impartial person or persons appointed by the Executive Director of the Housing Authority. If the action under review is that of the Executive Director, the "impartial person or persons" referred to in the preceding sentence, shall be appointed by the Commissioners of the Housing Authority. This person or persons may be an officer or employee of the Housing Authority, except a person who made or approved the Housing Authority action under review or a subordinate of such person, shall not be eligible to serve as Hearing Officer.
 - 2. The Housing Authority shall consult the Resident organizations, if any, before the Housing Authority appointment of each Hearing Officer or panel member. Any comments or recommendations submitted by the Resident organizations shall be considered by the Housing Authority before the appointment.
- C. <u>Failure to request a hearing.</u> If the Complainant does not request a hearing in accordance with this Section, then the Housing Authority's disposition of the grievance under the informal settlement of grievance procedures prescribed in Section III shall become final, provided that failure to request a hearing shall not constitute a waiver by the Complainant of his right thereafter to contest the Housing Authority's action in disposing of the complaint in an appropriate judicial proceeding.
- D. <u>Hearing prerequisite.</u> All grievances shall be personally presented either orally or in writing pursuant to the informal procedure prescribed in Section III as a condition to a hearing under this Section, provided that if the Complainant shall show good cause why he failed to proceed in accordance with Section III to the Hearing Officer or hearing panel, the provisions of this paragraph may be waived by the Hearing Officer or hearing panel.

C. <u>Escrow deposit.</u>

- 1. Before a hearing is scheduled in any grievance involving the amount of rent that the Housing Authority claims is due, the Complainant must pay an escrow deposit to the Housing Authority. When a Complainant is required to make an escrow deposit, the amount is the amount of rent the Housing Authority states is due and payable as of the first of the month preceding the month in which the Complainant's act or failure to act took place. After the first deposit, the family must deposit the same amount monthly until the complaint is resolved by decision of the hearing officer or hearing panel. These requirements may be waived by the Housing Authority in extenuating circumstances; however, unless so waived, the Complainant's failure to make such payments shall result in termination of the grievance procedure. The failure to pay the escrow deposit does not waive the Complainant's right to contest in any appropriate judicial proceeding the Housing Authority's disposition of the grievance.
- 2. The Housing Authority <u>must</u> waive the requirement for an escrow deposit in the following circumstances:
 - a. If the Complainant disputes the amount of "imputed welfare income" calculated by the Housing Authority;
 and
 - b. If the Complaintant disagrees with the Housing Authority's decision to deny or limit the "Complainant's request for a financial hardship exemption from payment of "minimum rent."
- F. <u>Scheduling of hearing.</u> Upon Complainant's compliance with the hearing prerequisites, a hearing shall be scheduled by the Hearing Officer or hearing panel promptly for a time and place reasonably convenient to both the Complainant and the Housing Authority. A written notification specifying the time, place, and the procedures governing the hearing shall be delivered to the Complainant and the appropriate Housing Authority official.
- G. <u>Expedited grievance procedure.</u> This Housing Authority may utilize an expedited grievance procedure for any grievance concerning a termination of tenancy or eviction that involves:
 - 1. any activity, not just criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the Housing Authority's public housing premises by other residents or employees of the

Housing Authority, or

2. any violent or drug-related criminal activity on or off the housing premises.

NOTE: Procedures concerning a hearing under the expedited grievance procedure shall include expedited notice and scheduling, and an expedited decision on the grievance. Additionally, an informal settlement of the grievance, as prescribed in Section III., is not applicable to a hearing under the expedited grievance procedure.

V. PROCEDURES GOVERNING THE HEARING

- A. The hearing shall be held before a Hearing Officer or hearing panel.
- B. The Complainant shall be afforded a fair hearing, which shall include:
 - 1. The opportunity to examine before the grievance hearing any Housing Authority documents, including records and regulations that are directly relevant to the hearing. The Resident shall be allowed to copy any such documents at the resident's expense. If the Housing Authority does not make the document available for examination upon request by the Complainant, the Housing Authority may not rely on such document at the grievance hearing;
 - 2. The right to be represented by counsel or other person chosen as the Resident's representative, and to have such person make statements on the Resident's behalf;
 - 3. The right to a private hearing unless the Complainant requests a public hearing;
 - 4. The right to present evidence and arguments in support of the Resident's complaint, to controvert evidence relied on by the Housing Authority, and to confront and cross-examine all witnesses upon whose testimony or information the Housing Authority relies; and
 - 5. A decision based solely and exclusively upon the facts presented at the hearing.
- C. The Hearing Officer or hearing panel may render a decision without proceeding with the hearing if the Hearing Officer or hearing panel determines that the issue has been previously decided in another proceeding.

- D. If the Complainant or the Housing Authority fails to appear at a scheduled hearing, the Hearing Officer or hearing panel may make a determination to postpone the hearing for not to exceed five business days or may make a determination that the party has waived his right to a hearing. Both the Complainant and the Housing Authority shall be notified of the determination by the Hearing Officer or hearing panel, provided that a determination that the Complainant has waived his right to a hearing shall not constitute a waiver of any right the Complainant may have to contest the Housing Authority's disposition of the grievance in an appropriate judicial proceeding.
- E. At the hearing, the Complainant must first make a showing of an entitlement to the relief sought and thereafter the Housing Authority must sustain the burden of justifying the Housing Authority action or failure to act against which the complaint is directed.
- F. The hearing shall be conducted informally by the Hearing Officer or hearing panel and oral or documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The Hearing Officer or hearing panel shall require the Housing Authority, the Complainant, counsel, and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer or hearing panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- G. The Complainant or the Housing Authority may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript.
- H. The Housing Authority shall provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants. If the Resident is visually impaired, any notice to the Resident, which is required by this grievance procedure, shall be in an accessible format.

VI. DECISION OF THE HEARING OFFICER OR HEARING PANEL

A. The Hearing Officer or hearing panel shall prepare a written decision, together with the reasons therefore, within a reasonable time after the hearing. A copy of the decision shall be sent to the Complainant and the Housing Authority. The Housing Authority shall retain a copy of the decision in the Resident folder. A copy of such decision, with all names and

identifying references deleted, shall also be maintained on file by the Housing Authority and made available for inspection by a prospective Complainant, his representative, or the hearing panel or Hearing Officer.

- B. The decision of the Hearing Officer or hearing panel shall be binding on the Housing Authority which shall take all actions, or refrain from any actions, necessary to carry out the decision unless the Housing Authority Board of Commissioners determines within a reasonable time, and promptly notifies the Complainant of its determination, that:
 - 1. The grievance does not concern Housing Authority action or failure to act in accordance with or involving the Complaint's lease or Housing Authority regulations, which adversely affect the Complainant's rights, duties, welfare, or status;
 - 2. The decision of the Hearing Officer or hearing panel is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the annual contributions contract between HUD and the Housing Authority.
- C. A decision by the Hearing Officer, hearing panel, or Board of Commissioners in favor of the Housing Authority or which denies the relief requested by the Complainant in whole or in part shall not constitute a waiver of, nor affect in any manner whatever, any rights the Complainant may have to a trial de novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

Community Service and Self Sufficiency

- 1. TVRHA no longer employs full-time social service coordinators. However, we do coordinate social service/self sufficiency activities through various state and local agencies. Examples of these services include GED training through the WIN job center, housekeeping services for the elderly and disabled through the MDHS Division of Aging and Adult services. We also have a full-time family self sufficiency coordinator which coordinates self sufficiency activities for both the public housing and section 8 programs. Finally, elderly services are provided to Fort Robinett, located in Corinth, MS. Fort Robinett Manor is a three-story apartment building located in Corinth (Alcorn County), MS This building contains fifty apartments consisting of forty-six 1-bedroom and four 2-bedroom units.
- 2. TVRHA has both a community service and self sufficiency policy. These are attached to the lease agreement and are included in the admission to and continued occupancy plan. The family self sufficiency action plan is also included Section 8 administrative plan.
- 3. TVRHA has a community service policy, community service certification, notice of non-compliance with community service requirement, and cure & remedy agreement. All of these policies and documents are used to ensure community service compliance of non-exempt lease holders and their households. If the lease holder is non compliant with the community service requirement, then their lease is non-renewed. Listed below is a summary statement of how the housing authority will implement the community service policy.

The PHA will attempt to provide the broadest choice possible to residents as they choose community service activities.

The PHA's goal is to design a service program that gives residents viable opportunities to become involved in the community and to gain competencies and skills. The PHA will work with resident organizations and community organizations to design, implement, assess and recalibrate its community service program.

The PHA will make every effort to identify volunteer opportunities throughout the community, especially those in proximity to public housing developments. To the greatest extent possible, the PHA will provide names and contacts at agencies that can provide opportunities for residents, including persons with disabilities, to fulfill their community service obligations.

Any written agreements or partnerships with contractors and/or qualified

organizations, including resident organizations, are described in the PHA Plan.

The PHA will provide in-house opportunities for volunteer work or self-sufficiency programs when possible.

TVRHA has exempted a family from performing community service if they meet the requirements for being exempted from having to engage in a work activity under the state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which the PHA is located, including a state-administered welfare-to-work program; or

A family that is receiving assistance under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which the PHA is located, including a state-administered welfare-to-work program, and has not been found by the state or other administering entity to be in noncompliance with such program.

Safety and Crime Prevention

TVRHA has taken the following steps to ensure the safety of its public housing residents and reduce crime to the greatest extent possible in our neighborhoods.

- 1. TVRHA has adopted a "one strike" policy with regard to drug related or violent criminal activity. The following is an excerpt from the TVRHA lease agreement.
 - a. To assure that no member of the household or guest engages in drugrelated criminal activity <u>on or off</u> the premises, and assure that no other person under the resident's control engages in such activities <u>on</u> the premises.
 - b. To assure that no member of the household, is using an illegal drug, or demonstrates a pattern of illegal drug use, which interferes with the health, safety, or right to peaceful enjoyment of the premises by other Residents; and

To assure that no member of the household engages in the abuse, or a pattern of abuse, of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other Residents. NOTE: THIS HOUSING AUTHORITY HAS A "ZERO TOLERANCE" POLICY REGARDING CRIMINAL ACTIVITY, INCLUDING DRUG-RELATED CRIMINAL ACTIVITY (DRUG-RELATED CRIMINAL ACTIVITY MEANS THE ILLEGAL MANUFACTURE, SALE, DISTRIBUTION, USE OR **POSSESSION** WITH INTENT TO MANUFACTURE, SELL, DISTRIBUTE OR USE CONTROLLED SUBSTANCE). A THEREFORE, ANY VIOLATION OF THE PRECEDING PARAGRAPHS (PARAGRAPH 12) WILL BE TREATED AS A SERIOUS VIOLATION OF THIS LEASE, AND WILL BE GROUNDS FOR EVICTION FROM THE UNIT EVEN THOUGH NO ARREST OR CONVICTION HAS OCCURRED.

- 2. TVRHA has implemented security patrols as needed at 15 different properties to help ensure the safety of residents.
- 3. TVRHA cooperates heavily with local, regional, and state law enforcement officials to help to reduce drug related activity and crime on housing authority property.

Pet Policy

The rules adopted are reasonably related to the legitimate interest of the housing authority to provide a decent, safe and sanitary living environment for all tenants, and to protect and preserve the physical condition of the property, as well as the financial interest of the PHA. The policy is organized as follows:

<u>Part I: Assistance Animals</u>. This part explains the difference between assistance animals and pets and contains policies related to the designation of an assistance animal as well as their care and handling.

<u>Part II: Pet policies for all developments</u>. This part includes pet policies that are common to both elderly/disabled developments and general occupancy developments.

Civil Rights Certification

TVRHA signed a voluntary compliance agreement (VCA) on 11/23/2011. As part of the VCA, TVRHA appointed a VCA administrator and a 504/Section 3 coordinator. One of the VCA administrator/auditor's responsibilities is to audit files for any compliance issues pertaining to public housing management; including fair housing. This VCA administrator/auditor also works directly with front line management staff to ensure that all compliance issues are addressed as expediently as possible. TVRHA will participate in developing the MDA's analysis of impediments (AI) to affirmatively further fair housing. TVRHA also consults with the MDA to ensure that the annual plan is consistent with Mississippi Consolidated Plan.

Curent Fiscal Year Audit

The results of the most recent Fiscal year audit are available for review as part of the supporting documents

Asset Management

On July 1, 2006 Tennessee Valley Regional Housing Authority implemented Asset Management and accounting. We have grouped approximately 30 scattered sites into 10 project groupings and 1 central office. These groupings were determined based on physical proximity, size, tenancy, building type, and management needs. Each property grouping has a project manager, along with an appropriate number of maintenance and support staff, depending on the size and management needs.

All revenues and expenses are tracked according to the project groupings. Each project has a separate budget. Each project also pays a property management, bookkeeping/IT, and asset management fees to the central office.

On December 14, 2007, TVRHA was notified that it had demonstrated successful conversion to asset management. The agency had its subsidy reduction stopped at five percent of the per unit month difference between the old and new formulas effective for Calendar Year 2007.

Long term operating, capital investment, rehabilitation, modernization, disposition are performed centrally with input from each AMP manager. TVRHA has reduced its inventory significantly with each AMP and the central office having a small amount of inventory on hand. Each AMP is responsible for inventory control and purchasing up to \$35,000.00 with prior approval of the Executive Director or Assistant Executive director at certain benchmarks. Purchases up to \$500.00 do not require prior approval.

Violence Against Women Act

Tennessee Valley Regional Housing Authority (TVHRA) has implemented policies in both the Admissions and Continued Occupancy Plan (ACOP) and the Section 8 Administrative Plan (AP) in order to be in compliance with the Violence Against Women Act and better serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.

First, TVRHA implemented policies in both the ACOP and AP which prohibits the denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Definitions for domestic violence, dating violence, stalking, and immediate family members have also been added to both the ACOP and AP. Notification and victim documentation, perpetrator removal or documentation of rehabilitation policies, and PHA documentation requirements have been adopted for both the ACOP and AP as well.

Second, TVRHA has implemented policies in both the ACOP and AP which allow the resident to move or transfer to avoid domestic violence, dating violence, or stalking.

Third, TVHRA has implemented policies in both the ACOP and AP concerning the termination of assistance for victims of domestic violence, dating violence, or stalking. These policies outline victim documentation, terminating or evicting a perpetrator of domestic violence, and PHA confidentiality requirements.

Finally, TVRHA has implemented policies in both the ACOP and AP concerning notification to applicants and tenants regarding protections under the Violence Against Women Act. Tenants, applicants, and owners have all been notified of these changes in policy. Compliance with the Violence Against Women Act has also been added as an owner responsibility in the Section 8 Administrative Plan.

Strategies for addressing affordable housing needs

Shortage of affordable housing for certain areas of our jurisdiction available to Section 8 participants

- Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:
 - A. Employ effective maintenance and management policies to minimize the number of public housing units off-line
 - B. Reduce turnover time for vacated public housing units
 - C. Reduce time to renovate public housing units
 - D. Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
 - E. Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
 - F. Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
 - G. Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
 - H. Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

Strategy 2: Increase the number of affordable housing units by:

- A. Apply for additional section 8 units should they become available
- B. Pursue housing resources other than public housing or Section 8 tenant-based assistance.

Families at or below 30% of median

- Strategy 1: Target available assistance to families at or below 30 % of AMI
 - A. Adopt rent policies to support and encourage work

Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

A. Adopt rent policies to support and encourage work

The Elderly

Strategy 1: Target available assistance to the elderly:

A. Seek designation of public housing for the elderly. TVRHA requested an extension to its elderly housing designation on 02/02/2012.

Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

A. Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing

Races or ethnicities with disproportionate housing needs

- Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:
 - A. Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Strategy 2: Conduct activities to affirmatively further fair housing
 - A. Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units.
 - B. Market the section 8 program to owners outside of areas of poverty /minority concentrations

(2) Reasons for Selecting Strategies

- A. Funding constraints
- B. Staffing constraints
- C. Results of consultation with residents and the Resident Advisory Board
- D. Other: (list below)
 - 1. Existing vacant units

ATTACHMENT 5

A. Progress in meeting Mission & Goals

The Housing Authority (HA) has completed comprehensive modernization programs on many of our housing units during 2011. During 2011 the Housing Authority maintained a vacancy rate for Public Housing of less than (3) percent. This would indicate that the Housing Authority is meeting or exceeding the HUD goal of increasing the availability of decent, safe, affordable housing in good repair. The Housing Authority received an overall PHAS score of 98 for 2011. All of the AMP groupings scored above 90 % on the most recent physical inspection. TVRHA has not received the final SEMAP score from HUD; however our review indicated 100% compliance for the housing choice voucher program.

This Housing Authority is striving to improve the community quality of life and economic suitability by recruiting a tenant body composed of families with a broad range of incomes to avoid concentration of the most economically deprived families. The HA has used a local preference system to select from applicants on the waiting list who have family incomes within adopted income ranges. This HA will also continue to implement security patrol as needed in our developments and enforce the Screening and Eviction Policy (Formerly "One Strike"). This HA has a HUD approved Elderly designated development.

This HA has met the HUD goal of Promoting self-sufficiency of families and individuals by enrolling 207% of its mandatory FSS family slots with 50% of the FSS participants with escrow account balances.

B. Significant amendment and Substantial Deviation

"Substantial Deviation" of the Annual Plan from the 5-Year Plan is defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

"Significant Amendment or Modification" of the Annual Plan or 5-Year Plan is:

- Changes to rent or admissions policies or organization of the waiting list; or
- ii. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.

C. Other Information

Congress passed the Consolidated and Further Continuing Appropriations Act and said bill became Public Law 112-55 on 11/18/2011. Section 211 exempts the county of Los Angeles, California and the states of Alaska, Iowa, and Mississippi from the requirement to have a resident as a member of the governing board; provided that a minimum of six residents of public housing or Section 8 Assistance provide advice and comments to the PHA. The Advisory Board shall meet no less than quarterly. TVRHA has 21 resident associations; each having a President, Vice President and Secretary. Each association has met at least quarterly from 01/01/2011 to 12/31/2011.

Attachment 6- Resident Advisory Board Comments

Beasley residents requested new countertops. *Countertops are a routine maintenance item installed on an as needed basis.*
